

## AIR FORCE ASSOCIATION - VICTORIA

### GEELONG BRANCH NEWSLETTER

#### Issue Number 11

Greetings Geelong Branch Members

Hope you have had a great Easter. Last year was quite an extraordinary year with lockdowns coming to an end later in the year with fewer restrictions imposed on us. Covid-19 has had quite an impact on all of us over the last two years, meeting only a handful of times with all the lockdowns we've endured (lost count). The blessing is that we, at least most of us that I'm aware of, have now had three shots of the Covid vaccine giving us that added protection.

The Geelong Branch continues along steadily and modestly with small attendances at our meetings with more keen interest by other new members wanting to join or transfer to our Branch. As mentioned previously, we plan to utilise the community bus for more visits this year hopefully along with other activities away from Geelong.

As with all community groups like ours, we are required to have an AGM with positions becoming vacant at our next meeting, second Thursday in May, 12<sup>th</sup> May 22, in lieu of the first Thursday as I have to attend a face-to-face two-day meeting of the national board to take minutes. To that end, I'm seeking nominations for both President of the Branch and Secretary/Treasurer. Our current Sec/Treas, Darrell Robinson, is standing down from his position in May as he and Ann intend to travel extensively north bound in Australia, away from the southern winter. Attached to this Newsletter are nominations forms for you to submit your nomination for the two positions. I would like to see a fresh face as Branch President also and would not like for the Branch to close again. Please give this serious consideration. I think you will all agree that the speakers we have had and fellowship at our meetings keeps us in touch with one another once a month with the exchange of stories and experiences among us.

So, our next meeting will be on the **second Thursday in May 2022**, allowing everyone time to consider nominations for Branch appointments. Thank you.

Kind Regards,

John Delia  
President,
