

AIR FORCE ASSOCIATION - VICTORIA

GEELONG BRANCH NEWSLETTER

Issue Number 1

Dear Prospective Members of the Geelong Branch, Air Force Association-Victoria

Last Wednesday evening, 31 July 2019, we held an information meeting at the Geelong RSL to gauge the possibility of reviving the Geelong Branch of the Air Force Association-Victoria. Mr Carl Schiller, OAM CSM, National President of the Air Force Association Ltd presented an informative outline of what the AFA is about today and how far it has advanced in recent times, providing not only fellowship, but also welfare and advocacy support to members in need.

We were heartened to have had approximately 12 members attending with positive comments to revive the Branch, which was followed by a couple of light refreshments, compliments of Carl. We understand and appreciate the fact that some members are not able to drive at night time due to their advancing years but nonetheless expressed their interest to support this revival as members.

The proposal is to have monthly meetings, during the day at the Geelong RSL, Barwon Heads Road, Belmont. This format can be a meeting later in the morning, say 1100 am, followed by a lunch and fellowship at the RSL.

To that end, an inaugural meeting is planned for Thursday, 8th August 2019, at 1100 chaired by the Victorian President, Mr Max McGregor, to elect a committee to kick off the Geelong Branch. Following the meeting you are invited to stay on and have lunch in the bistro. I seek your interest and enthusiasm in nominating for positions on the committee to ensure that this revival is a successful one for the future. Thank you and look forward to seeing you on Thursday.

Kind Regards

John M. Delia
President elect,
Geelong Branch, Air Force Association – Victoria
